INTRODUCTION TO ACC-F! ACC-FI is our department (Accounting and Finance) 1st event, designed to showcase our talents and cultivate essential skills for future success. This exciting initiative provides students with a platform to engage in experiential learning, collaborate with peers, and demonstrate their abilities across various discipline. “we empower through hands-on learning experiences that enhance their skills and prepare them for successful careers.” It was our pleasure to take over this unique event in our hands. Totally 60 students and 4 Events. ACC-F!’s MAIN MOTTO is (Cultivating Skills, Elevating Futures)
